

A selection...

wonderful movie ... intriguing and moving ... very moving

wonderful movie

I am a big fan of Dev Patel and i didn't knew this movie, it was wonderful, really moving

Thanks for choosing such a thought-provoking film, which may be a source of future research for our students... ;-)

I think it is interesting to see how differently the two protagonists perceive mathematics, but nevertheless they are equally passionate about it.

beautiful movie, I really enjoyed it

Fantastic very beautiful!

I liked the movie and the presentation!

Amazing film. I'm really curious about the next film!

Thank you for giving us this opportunity and I really hope there will be much more next!

thanks for the really nice proposal

Thank you so much! i would definitely recommend this movie

Thank you for selecting this movie, I'm glad I've discovered it
